

BLOM PIZZA

ABOUT BLOM PIZZA

BLOM Pizza was founded with a mission to support local suppliers in the Tzaneen and Haenertsburg areas.

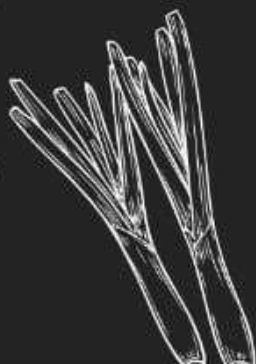

BLOM Pot-and-Pizza are dedicated to using ONLY local coffee beans, teas, locally grown vegetables, herbs, and cheeses, including products from Wegraakbosch Cheeses, as well as locally made pickles and preserves. Instead of traditional olive oil, BLOM Pizza uses cold-pressed avocado oil sourced from Misty Valley. With an abundance of locally produced goods often overlooked in the region, Blom aims to showcase these high-quality ingredients in its menu.

BLOM Pizza is open for take-away to the public and sit-in for all members.
